PROFESSIONAL SUMMARY

Experienced designer with eight years of visual design experience and four years of UX/UI experience. Currently pursuing an M.S. in UX/UI & Interaction Design, and I am committed to continuous learning and growth, viewing challenges as opportunities to enhance my expertise. My design philosophy combines strategic insight, technical knowledge, and creativity, resulting in a successful track record in both visual and UX/UI design. Fully dedicated to UX/UI, I aim to leverage my skills to create impactful, user-centered solutions.
